Dear Ruth,

On behalf of Derian House Children's Hospice, I would like to say a huge thank you for your recent kind donation of £255.00 from your Tea & Tango event. It was very kind of you to think of Derian House and your gift is very much appreciated by all the children and families that come to stay with us here.

At Derian House we are privileged to be counted as friends of the many families we have cared for and supported since the hospice opened as well as those to whom we continue to offer ongoing support. And of course, there will be countless others in the future who will need us to be there for them, to provide not only a high standard of specialist care for their child, but a reassuring framework of emotional support for them as a family.

As a charity that receives minimal funding from statutory sources, we have to rely on the generosity of our friends and wider community to meet our financial target, which this year stands at £3.95 million. Every donation and gift makes a huge difference to our children, young people and families – thank you so much for your support.

We'd love to keep you updated with information on events and developments at Derian House so that you're able to see what a tremendous difference your support makes to our children and families. We'll make sure, therefore, that we send you our newsletter and events information as a matter of course, please let us know if at any time in the future you'd prefer not to receive such communication.

Thank you once again.

Kindest regards
